A DREAM. (From the Atlantia Monthly.)

I alept ! I dreamed I and dreaming thought I saw an engel pure and white, As dew drops which, by sun-beams caught, Bhine forth true living geme of light.

His form was noble—aspect mild,
A radiance spring from where he stood,
And as he rais'd his eyes, and smiled,
lie looked the embodiment of good.

I knalt me at his feet, and pray'd That he would grant a boon to one, In whose heart was a void, that made Life burdensome, a thing to shun.

A slight cloud passed across his brow; ... What is there, then," he asked, " would ten To comfort thee? say, tell me now, What wouldst thou have ?"-" A friend!

His vivege brightened, and he spoke,—
"Thy prayer is heard, a friend is thine!"—
Peeling a thrill of joy, I woke,
And waking chaped thy hand in mine. Yes thou hadet southed my couch of pain-Hadet numed me the' I raved the white, And when I worked to sense sgale,

Hope beamed upon me in thy amile. Many long years have since gone by, And I have told thee other dreams, Yet that bright vision from on high, Suil cheers me onward with its beams.

All genuine Indian Root Pills have the name and elgasture of A. J. White & Co., on each box. Da. A. J. WHITE, & Co.

50 Leonard Street, New York, NR. MORSE, the inventor of MORSE'S ROOT PILLS, has spent the greater pan of his life in travelling, having visited Europe, Asia, and Africa as well as North Americahas spent three years among the Indians of our Western country-it was in this way that the Indian Root Pills were first discovered. Dr. Morse was the first man to establish the fect that all diseases arise from IMPURITY OF life depends upon this rivel fluid.

When the various passages becomes clogged, and do not act in perfect harmony with the different functions of the body, the blood looses its action, becomes think, normplant and disdistress of every name; our strength is exhausted, our health we are deprived of, and if nature is not assisted in throwing off the stagnent humors, the blood will become choked and cease to act, and thus our light of Hie will forever be blown out. How important then that we should keep the various passages of the NEW REMEDIES & QUICK CURES. body free and open. And how pleasant to us which gives ease and double strength to the effectually eradicated. discharged in any other way. The fourth is despatch, and secure from observation. a Cathartio, and accompanies the other properties of the Pills while engaged in purifying ties of the Pills while engaged in purifying Patients wishing for Medicines will be the blood; the coarser particles of impurity charged according to the nature of their Comwhich cannot pass by the outer outlets, are thus | plaint. taken up and conveyed off in greater quantities by the bowels.

From the above, it is shown that Dr. Morse's Indian Root Pills not only enter the stomach. but becomes united with the blood, for they find way to every part, and completely rout out and cleanse the system from all impurity, and the life of the body, which is the blood! becomes perfectly healthy; consequently al, sickness and pain is driven from the system, for they cannot remain when the body becomes so pure and clear.

The reason why people are so distressed when sick, and why so many die, is because they do not get a medicine which will pass to the afflicted parts, and which will open the natural passages for the disease to be cast out; hence, a large quantity of food and other matter is lodged, and the stomach and intestines are literally overflowing with the corrupted mass; thus undergoing disagreeable fermentation, constantly mixing with the blood, which throws the corrupted matter through every yein and ertery until life is taken from the body by disease. Dr. Morse's PILLS have added to themselves victory upon victory, by restoring mit-tions of the eick to blooming health and hapi-ness. Yes, thousands who have been racked or to:mented with sickness, pain and anguish, and whose feeble frames have been scorched by the burning elements of taging fever, testify that they would have been numbered specifully solicited. with the dead, had it not been for this great and wonderful medicine, Morse's Indian Root Fills. After one or two doses had been taken, they were astonished, and absolutely surprised. in witnessing their channing effects. Not only do they give immediate case and strength, and take away all sickness, pain and anguish, but they at once go to work at the foundation of the discess, which is the blood. Therefore, it will La shown, especially by those who use these Pills, that they will so cleanse and purify, that discess-that deadly enemy-will take its flight, and the flush of youth and beauty will tappy life will cherish and brighten your days.
